## Private Pet Portrait Consultation

### PORTRAIT SITTING FEE

Monday to Friday	<b>£99</b>
Premium Weekend	<b>£199</b>

We'll take stunning pet portraits in front of a grey backdrop in our home studio in Chorlton, Manchester or we'll bring our pop-up studio to you if you live within 40 miles of M21 OSB. This means you'll get superb portraits of your pet(s) in a familiar, comfortable environment. We can also shoot outside which is perfect for dogs that are happy off the lead and out in the fresh air. The photo shoot lasts as long as it takes but wherever we shoot your pet(s) well being and happiness is always my top priority.

Typical shoot time for one or two pets lasts about 90 minutes. After the session, you will be emailed your favourite watermarked images so you can view them at your leisure.

### DIGITAL IMAGES

One digital image from the photo shoot	<b>£179</b>
All your favourite digital images from the photo shoot	<b>£379</b>

High-resolution digital image files as a download or a USB memory card. This is superb value as it gives you maximum flexibility of all your favourite images at a great price. You could create your own prints, frames or canvases, upload your pet to social media or even turn them into a cushion!

### STRETCHED CANVAS

Each canvas is a superb quality bespoke piece of art designed to make your pet look even more spectacular than they already are. A fabulous grey border is added to each image to give it the appearance of being framed, along with your pet's name and the date it was taken.

16"x20" (508mmx406mm) canvas featuring 1 image	<b>£179</b>
30"x24" (762mmx610mm) canvas featuring 1 image	<b>£299</b>

### THREE IMAGE CANVAS

Make your pet look like a superstar with a beautiful stretched canvas featuring your favourite three images. Each image is expertly cropped and positioned to deliver a stunning celebration of your pet's character. The images can be arranged either in portrait or landscape format and the size quoted is for landscape with the final size being dependant on your image selection.

42" x 12" (1066mmx305mm) canvas featuring three images **£399**

### FRAMED IMAGE

Our frames are a modern take on a traditional framed photograph. They feature a stunning window mounted fine art digital print, in an unfussy black or white frame finish to ensure the end result is all about your fabulous pet(s).

20"x16" (508mmx406mm) frame with fine art print	<b>£219</b>
24"x20" (610mmx508mm) frame with fine art print	<b>£299</b>

### THREE IMAGE FRAME

Celebrate your pet's unique character with this modern frame showcasing your favourite three images. It features three fine art digital prints arranged in either portrait or landscape format. Available in black or white frame finish, the size quoted is for landscape and the final size depends on the images you choose.

42"x14" (106mmx255mm) frame featuring three images **£429**

### MORE INFORMATION

The sitting fee covers my time, experience and most importantly my expertise, it does not, however, give you a finished physical product.

Frame and canvas samples can be viewed on the website and also at the photo shoot.

All orders are subject to a delivery charge unless you opt to collect them in person.

Please do not hesitate to ask if you would like to discuss a pet portrait shoot in more detail.

## TECHNICAL SPECIFICATIONS

### **Frame and Printing technical specification**

Each image is printed digitally onto beautiful fine art paper using high quality archival Canon inks. The image is then carefully dry mounted using archival mount board and then the whole thing is lovingly surrounded by a 32mm square profile moulding to create a stunning framed image of your beloved pet.

### **Canvas technical specification**

All our canvases are created by a fabulous family framing business in Sale, Cheshire. Each canvas is hand-stretched onto a bespoke quality solid redwood frame and printed using quality Cannon inks so colours stay rich and bright for a lifetime.

### **High-resolution digital images**

High-resolution digital JPEG images are available either as a download, disc or USB memory stick depending on which option you prefer. You'll receive all the viable images from your pet's session, offering maximum flexibility at a great price.
